

## Struggling with Stock? HB has 1000's of SKUs in Stock!

A stable, reliable and efficient supply partner is essential in an unstable and uncertain time. Haier Biomedical has continued to invest in stock and its delivery network across Europe and the UK.

**Direct from Haier Biomedical's warehouses in Europe to you, stock located in the UK and Netherlands, 1000's of SKUs available every month.**

## Fast Delivery - Across the EU

With fully accredited logistics partners across Europe and Approved Stockists in many regions, get in touch with your order and delivery requirements today.

## World-Class Flexible & Scalable Manufacturing

The factory has passed the accreditation of ISO9001, ISO14001, ISO13485 and ISO45001

In early 2020 we opened our new IoT manufacturing plant in Qingdao's High-tech zone, 50,000 m<sup>2</sup> over 2 floors on a 75,000 m<sup>2</sup> facility - with a capacity in excess of 200,000 units a year. In mid 2021 Haier Biomedical commenced expansion and construction of our new manufacturing facility next door, adding another 95,000 m<sup>2</sup> to our current 75,000 m<sup>2</sup> - a total manufacturing site at 170,000 m<sup>2</sup>.
